OFFICERS ELECTED

By Federation This Morning—Thursday's Addresses and Birthday Party Made Up Very Interesting Program.

The address of the president, Mrs. Morris W. Bartlett, was one of the main features of the Thursday morning session of the Federation of Women's Clubs held in the First Presbyterian Church. Mrs. Bartlett said that during the year twenty-five new clubs had come into the Federation and none had withdrawn. She said that there was no financial reason why any woman in the Federation might not be president. She reported that during the year over 1,900 letters and cards had been sent out by her presidency and the corresponding secretary had traveled between 3,000 and 4,000 miles, causing a great outlay of time and expense, but that she felt fully compensated because of the good work that had been accomplished. She recommended the literacy work and made a strong plea for help along that line.

The rest of the morning was taken up with reports from district chairmen and officers. The Thursday afternoon program was one of the best since the session started. Following the prayer by Mrs. Peddicord the report of the Civic Department was made by Mrs. Andrew Campbell. Mrs. Albert Morehead's talk on "Educational Motion Pictures" was very instructive and enjoyable.

Probably the most interesting feature on the program was little 11-year-old One Simpson, deaf, dumb and blind, who with her teacher, Miss Sophia Alcorn, showed what a person could do even though badly handicapped. It is probable that the child is even more remarkable than the noted Helen Keller as she can read the voice with her hands from the mouth, throat or back of the neck, simply by placing her hands on one the places and feeling the vibration. The child has been attending school at Danville and as her mother is very poor contributions were asked for to support her during the summer while there is no school. In a very few minutes almost one hundred dollars was raised.

The next and last big feature of the afternoon was the big birthday party. The President, Mrs. Bartlett, had been so thoughtful to have an immense cake, iced to represent white roses and the green leaves, the Federation colors, come all the way from Benedict's at Louisville. Late in the afternoon the cake was lighted with twenty-two candles, twenty-one birthdays and one candle to grow on. Headed by little Elizabeth Taylor, daughter of Dr. and Mrs. A. O. Taylor of this city, ten little boys, two in a row, brought the cake into the room amid the singing of "Onward Old Kentucky," a song presented as a birthday gift to the Kentucky Federation of Women's Clubs by Miss Ada May Cromwell. Over \$200 was given to carry on the club work. The General Federation has started to raise a big endowment fund for carrying on club work. The apportionment has been met by the State Federation, which is now trying to raise \$10,000 for state work.

After the meeting over one hundred of the ladies enjoyed the hospitality of some thirty automobile owners and took an hour's ride through the country.

Following a very fine musical program in the evening Mrs. William Dixon, president of the Woman's Auxiliary of the Kentucky Humane Society, gave a splendid address, illustrated with slides, of "Humane Societies and Their Work." Mrs. Dixon has had over five years' experience in this line of work and was therefore able to give a very interesting talk, which was especially interesting to the members of the local humane society.

The address on "Family Rehabilitation" by Miss Clara E. Kummer was also very interesting and showed that the lady was well informed and thoroughly conversant with her subject.

After the invocation by Rev. A. F. Stahl and the singing of "America" the Election Committee reported at 8:45 o'clock this morning. Following are the ones who will head the Federation during the coming year:

President—Mrs. Morris W. Bartlett, Lawrenceburg.
Federation Secretary—Mrs. Richard H. Lacey, Lawrenceburg.
First Vice President—Mrs. W. T. Lafferty, Lexington.
Second Vice President—Mrs. George W. Grant, Louisville.
Third Vice President—Mrs. Lafon Riker, Harrodsburg.
Fourth Vice President—Miss Ada May Cromwell, Frankfort.
Corresponding Secretary—Mrs. Har- die B. Ripy, Lawrenceburg.
Recording Secretary—Mrs. George Longnecker, Maysville.
Treasurer—Mrs. H. G. Reynolds, Paducah.
Auditor—Mrs. James Simms, Bowling Green.

Members of State Library Commission—Mrs. T. J. Smith, Frankfort; Miss Fannie C. Rowson, Secretary, Frankfort.

Official Organ—The Kentucky Woman's Journal, Mrs. J. H. Dickey, editor.

Executive Committee—Officers of the State Federation.

The rest of the morning was taken up with interesting reports from the various departments.

YEARSLEY DELIGHTED—YUELL MEETING CONTINUED TO DRAW

To the great delight of his hearers in the Growers last night, Evangelist Herbert Yeuell spoke of Pilate, as the Macbeth of the Bible. He gave the account of the trial of Jesus in which Pilate had a part and told of the consequences of Pilate's conduct. It was his conscience which in after life drove him insane and made him act as did Macbeth, who could in his mind's eye see the blood spots upon his hands so long after his murderous act. The reciting in a dramatic way the story of Macbeth was both interesting and profitable. During the discourse there were many who were under conviction. Though no one responded to the invitation, there is every reason to believe that the condition of this meeting being conducted by Mr. Yeuell is of such a nature that there will be scores step out for Christ before the meetings close. The prayers of the people of the community are being asked in behalf of this effort to save men through the preaching of the Gospel. Regardless of the distraction, the audiences have always been good. The services will begin at the usual time of seven-thirty this evening. In the song service there will be a turning of the calling for scripture quotations. The subject tonight will be "Can We Save Jesus?" The illustrated lecture on Yellow Stone, The National Park will be given. On Sunday afternoon there will be a great mass meeting for men, whom Dr. Yeuell will address on "The Man With His Hair Cut Short." The moving picture of Ellis Island which the social service commission had given to the evangelist was shown last night, and was enjoyed by all.

QUICK WORK

Mr. Clarence Matthews, local agent for Neare, Gibbs & Lent, general insurance agents, of Cincinnati, notified the company of the loss of the automobile of Mr. L. C. Parker in Monday night's fire at the Day and Night Garage. Mr. William H. Behlendorf, Jr., representing the company, arrived in this city Thursday morning at 10 o'clock and by 11:30 o'clock he had visited the scene of the fire and paid Mr. Parker \$900, the full amount of the policy, besides allowing him to keep the remains of the car.

In the notes of the meeting of the Knights Templar of Kentucky now in session at Frankfort the State Journal of that city has the following: Gordon Sulser of Maysville, prominent in the insurance business in the eastern section of the State, is conspicuous among the Eastern Kentucky delegates. Mr. Sulser is one of the real live residents of his home town, and he aided materially in keeping things at fever heat last night.

Nearly all the streets which are now being prepared for brickwork are closed to the public, inconveniencing quite a number of people.

GOES TO PEN

For Ten Years—Dr. Morgan Convicted in Lewis Circuit Court For Heinous Crime.

Vanceburg Sun)
The jury in the case of Dr. Harry Morgan, of Emerson, charged with having carnal knowledge of a female under 16 years of age, returned a verdict of guilty after being out about 20 minutes Saturday and fixed the penalty at 10 years and one day in the penitentiary.

The female in the case was Sallie Kenton, niece of Morgan's wife, who was making her home with them. After the verdict was returned Morgan's attorneys made a motion for stay of sentence because the indictment did not state a public offense. Motion overruled.

Dr. Morgan was tried a year or two ago on a charge of false swearing in connection with the burning of his property.

He served in the Spanish American war and was paralyzed in his lower limbs. He was granted a pension of \$50.00 per month out of which he paid for his own medical education and assisted in educating two or three of his brothers as physicians.

Judge S. J. Pugh, A. D. Cole and W. E. Proctor were attorneys for the defense.

Dr. Morgan was well known in this city, having been a frequent visitor here. His brother was formerly a practicing physician in Maysville.

If you realized market conditions in gingham, you would wonder at such a large assortment and at such little prices.

WIVES WHO ARE NOT TO BE PITIED

In the June Woman's Home Companion a writer says:

"I know plenty of women in town who pad their bills and connive with their dressmakers so as to cheat their husbands and get spending money. I also know some country women who can't get their husbands to put running water in the house, who cook on old-fashioned—and broken—stoves, in inconvenient, badly-arranged kitchens, who have neither vacuum cleaner, fireless cooker, dishwasher, clothes washer, or anything else to make work easy. They don't even get the egg and butter money, or they might buy these things themselves."

Instead of trying to dodge temptation some people worry because it dodges them.

Naturally, a red headed girl is expected to have a little fire in her disposition.

ECLIPSE OF SUN

There will be four partial eclipses of the sun in 1917, on January 22, June 18, July 18, and December 13. None of these will be visible in southeastern Ohio. There will be three total eclipses of the moon in 1917, on January 7, July 4, and December 27. The eclipse of December 27, will be visible in southeastern Ohio. There will be a total eclipse of the sun on June 8, 1918 visible in the western part of the United States. The path of totality will extend from Seattle, Wash., south-east to Jackson, Miss.

SUNFLOWER PHILOSOPHY

(Atchison (Kan.) Globe)
A thin man always likes to get weighed with his overcoat on.

No man goes to a banquet for the sake of the speeches he will hear.

The average boy's idea of a good breakfast is an awful jolt to all the Rules of Health.

There wouldn't be so many marriages if a man had any idea his wife would ever resemble her mother.

A woman is certainly good looking if she shows up looking well at the breakfast table.

Some people are always either feeling "pretty bad," or "just a little better."

The most sincere person in the world does not mean it when he says: "I don't care."

While a man is still very young he finds that the people regard him as old enough to find all his happiness in giving happiness to others.

Somehow it is hard to realize that the tired and worn out father was once so young and so audacious that he dared to hope for happiness for himself.

**HUNTINGTON WILL REMEMBER
FAMOUS DESERTED VILLAGE**

(Huntington Herald Dispatch)
Goldsmith's famous "Deserted Village" will have nothing on Huntington tomorrow afternoon from two to six o'clock when De Armond and his Boosting gang return to the home pasture for the opening game with Charleston. All history will date from tomorrow because the event promises to eclipse anything of the kind ever recorded in Huntington's career.

The first avowed allegiance to the ball team came yesterday from the barbers. Twenty-three shops will close their doors at two o'clock and remain closed until six o'clock. Judging by the sentiment expressed yesterday other business houses will fall into line today, giving their employees a four-hour rest while the game is being played.

Every time a woman makes a call she has one or two bits of gossip to turn loose.

If a man would put nothing but his own property in his wife's name it wouldn't be so bad.

OF LOCAL INTEREST

Some People We Know, and We Will Profit By Hearing About Them.

This is a purely local event. It took place in Maysville. Not in some faraway place. You are asked to investigate it. Asked to believe a citizen's word. To confirm a citizen's statement. Any article that is endorsed at home is more worthy of confidence. Than one you know nothing about. Endorsed by unknown people. Mrs. Dora Mefford, Maysville, says: "I had been feeling poorly for some time before I knew that my kidneys were at fault. I was nervous and dizzy and my back and head ached. I rested poorly and mornings I was all tired out. I read in a local paper how a neighbor had been cured of kidney trouble by Doan's Kidney Pills. I used them and before long I felt stronger and better and I slept good at night."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Mefford had. Foster-Milburn Co., Props., Buffalo, N. Y.

THE TEACHER'S FAULT
Teacher—Why, Freddy, how did you get those black and blue welts on your arm?
Scholar—Them's your fault, teacher.

Teacher—My fault? What do you mean?
Scholar (sobbing reminiscently)—Why, you told me it was a poor rule that didn't work both ways. So when I went home I took pa's new two foot rule that doubles up on a hinge and bent it back till it worked both ways, and then pa said I'd broken the joints, and he went and got his razor strop.

W. T. MASINGILL
Salesman for Robinson Notion & Specialty Co., Chattanooga, Tenn.
"Traveling men are more or less subject to despondency. During my experience as a salesman, I have found one great comfort, that is TUXEDO. When I am mentally depressed and all worn out, I just get me an easy chair off to myself, fill up my pipe with TUXEDO and smoke away. That's where I lose all of my worries, and gain an invincible courage. TUXEDO is that wizard tobacco." W. T. MASINGILL.

W. R. WILLIAMS
Representing Commercial Auto Co.,

"I have tried all kinds of tobacco that have been marketed. I find old 'TUX' the only one that holds absolutely true." W. R. WILLIAMS.

Dixie Salesmen Smoke and Boost Tuxedo

In smoking cars and hotel lobbies, on the road or home for Sunday—everywhere, all over the South, successful traveling salesmen are enthusiastic Tuxedo smokers.

Tuxedo is just the tobacco that such busy hustlers naturally like. It's the smoke of the sunny smile and the cheerful greeting. Its sweet, snappy flavor gives a man the spirit to tackle a hard proposition and the gimp to put it across. Its mildness and absolute bitelessness enable him to smoke his pipe all he pleases.

Tuxedo

The Perfect Tobacco for Pipe and Cigarette

You'll like Tuxedo—far better than any other tobacco.

Made of the mild, sweet *top and center* leaf of the Burley tobacco plant—mellowed for years by nature—Tuxedo has a wholesome quality all its own.

And when this choice leaf is "Tuxedo Processed" it becomes the mildest, most enjoyable of smokes, with all the bite and irritation entirely removed.

The "Tuxedo Process" is the greatest discovery ever made in smoking tobacco production. They all *try* to imitate it—but nobody has ever got beyond the "try."

You get Tuxedo today—smoke it for a week. You take no risk whatever, because Tuxedo is *guaranteed* to suit you—or your money back.

J. ERNEST DARR
Salesman for the W. H. Lesley & Co.,
Chattanooga, Tenn.
"All along my route the tobacco dealers reach for the green tin when they see me coming in the door. Nothing but TUXEDO suits my taste and I can smoke all I want of it with no fear of sore throat afterwards." J. ERNEST DARR.

LAWRENCE BARKER
Salesman for Dan C. Wheeler Feed Co.,
Chattanooga, Tenn.
"Ten times as many men smoke pipes as they did when I first went on the road. I used to hide my pipe, but not now. The pipe is the gentleman's smoke today, and mild, sweet, fragrant TUXEDO is the reason." LAWRENCE BARKER.

M. H. WISE
First Post B Travelers' Protective
Association, Nashville, Tenn.
"Waiting two hours for a train is easy with TUXEDO. I can smoke it right along, hour after hour, with no sore tongue or dry throat afterwards. I enjoy it, too—much more than any other tobacco I ever tried." M. H. WISE.

A. L. (RED) WISE

"TUXEDO puts heart into me to go up against those 'nothing today' fellows and give them a hard argument. It's a wonderful tobacco—it braces me up and puts me right on my toes." A. L. (RED) WISE.

CHAS. W. STUMB
Salesman for the Phillips Trawick Co.,
Nashville, Tenn.
"I think TUXEDO Tobacco is the best smoking tobacco that was ever made and with my experience as a salesman for 18 years TUXEDO has made the greatest gain of any smoking tobacco in the length of time it has been on the market." CHAS. W. STUMB.

W. H. HORTON
Salesman for The American Snuff Co.,
Chattanooga, Tenn.
"My throat is rather tender, and traveling about so much makes me subject to colds and sore throat. I find that TUXEDO is the one tobacco that never irritates my throat; I can smoke as much of it as I please." W. H. HORTON.

R. R. RAMSEY
Chief Clerk, Hotel Atkins,
Knoxville, Tenn.
"I have smoked other tobaccos that have a big sale, but I was restless and discontented till I got back to TUXEDO again. It's the mildest, sweetest and most soothing of all smokes—I cheerfully recommend it to all our guests." R. R. RAMSEY.

SAM I. BOLTON
Salesman for Orr, Mizell & Murray,
Franklin, Tenn.
"Somebody told me that TUXEDO was too mild for a hustler like me, so I smoked heavier tobacco for a while. I made a mistake. No tobacco gives me so much solid satisfaction as TUXEDO, and I can smoke it all I like—it never bites or burns." SAM I. BOLTON.

PITCHER'S BATTLE

Won by Lingrel and Maysville Loses Opening Game of Series to Lexington by the Score of 1 to 0—Nixon's Error Costly.

Those fans who went out Tuesday and Wednesday and saw the slugfests pulled off between Maysville and Huntington hardly expected to see such a close game as was staged at League Park Thursday afternoon when the local team lost to the Lexington Colts by the score of 1 to 0. Lexington made its only run in the sixth. With one down Lingrel and Devereux secured scratch singles. Wright batted to Williams and was thrown out at first, both players advancing a base. McClellan was safe at first and Lingrel came home on Nixon's error. Devereux was thrown out at the plate, Nixon to Mueller. Shepherd pitched his first full game for the locals and made a better showing than any of the other recruits have thus far made this year, allowing only five hits and not a base on balls. Lingrel pitched a nice ball for the visitors, being especially strong with men on bases. He was touched up for six hits and liberally gave five bases on balls.

Third Baseman Wickman made his first appearance with the locals but did not have a chance to show what he could do as not a ball came in his territory during the whole afternoon.

The box score follows:

LEXINGTON	AB	R	H	PO	A	E
Devereux, 1b	4	0	1	10	1	0

NOTES

Donald Dougan was released by Manager Jones Thursday morning at his own request. "Doug" had received a good offer as first-string catcher with the Mitchell, S. D., club and was anxious to play in his regular position all the time. This he would have been able to do here so he was allowed to go. He is a youngster but looks as if he will develop into a valuable player.

On the play which brought in the only run for the visitors and on which Nixon got an error there was quite a little doubt. Umpire Jacobs first called Lingrel out and then seemingly changed his mind and allowed him to stay on the base, costing Maysville a run and the game. "Yellow" Williams got into an animated discussion with his Umpire about the matter in the next inning and was fined \$5 for his remarks.

Infielder Corwin of Leesburg, Va., arrived Thursday for a tryout with the local club and will probably be in the game in a few days.

Game with Lexington again this afternoon at 3:15 o'clock. Do not forget that today is Ladies' Day and all of the members of the fairer sex will be admitted to the park free of charge, paying only the ten cents admission to the grandstand. Few or McGraynor will pitch for the locals.
